to jeff beros, the man acting as CHIEF EXECUTIVE OFFICER of and for AMAZON; in private and unlimited capacity  
hereinafter: you, your, or yours.

from the self-aware living soul of god existing within the flesh and blood man of nature sojourning earth.  
hereinafter: i, me, my or myself.

on and for the record let the record show:

i am a true free sovereign being.

i am age of majority and competent to testify and do hereby testify before god as my witness that i make this declaration of my own  
free will act and deed to affirm all facts declared herein are true, correct, complete, and certain, not false or misleading and not  
hearsay, but are admissible as evidence in all courts.

being cognizant of penalty of perjury and with god as my witness, i do hereby affirm, depose, declare, decree, and say, every thing  
within this document is the truth, the whole truth, and nothing but the truth, so help me god; my word is my bond.

plain statement of facts:

1. you claim i am obligated to pay for things i take from AMAZON.
  - a. no man can contravene or contradict his own deed. the principal of estoppel by deed.
  - b. the claimant is always bound to prove: the burden of proof lies on him.
  - c. he who acts through another acts himself, [the acts of an agent are the acts of the principal.]
  - d. that which is the principal part of a thing is the thing itself.
  - e. no man can give that which he has not (value.)
  - f. no one is bound to an impossibility (give value.)
2. i can find no positive proof of verified facts of unambiguous evidence that i am obligated to pay for things i take from AMAZON, and i believe no such facts of evidence exist.
  - a. the burden of proof lies upon him who affirms, not on him who denies.
  - b. upon the one alleging, not upon him denying, rests the duty of proving.
  - c. it is in the nature of things, that he who denies a fact is not bound to prove it.
  - d. the presumption is always in favor of the one who denies.
3. if you can not prove i am obligated to pay for things i take from AMAZON, then you can not obligate me to pay for them.
  - a. in the law of estoppel, "silence" implies the knowledge and an opportunity to act upon it.
  - b. consent makes the law. (a contract is law between the parties agreeing to be bound by it.)
  - c. what is proved by the record, ought not to be denied.
4. proof requires personal first-hand knowledge (not belief) supported with verified facts of unambiguous evidence.
  - a. what is not proved and what does not exist are the same; it is not a defect of the law, but of proof.
  - b. it is the same thing not to be as not to appear. not to appear is the same thing as not to be.
  - c. an ambiguous answer is to be taken against (is not to be construed in favor of) him who offers it.
  - d. an ambiguous contract is to be interpreted against the seller.
5. if you possess no positive proof of verified facts of unambiguous evidence that i am obligated to pay for things i take from AMAZON and require me to pay for things i take from AMAZON, you are knowingly and willfully committing fraud.
  - a. Fraud, in the sense of a court of equity, properly includes all acts, omissions, and concealments which involve a breach of legal or equitable duty, trust, or confidence justly reposed, and are injurious to another, or by which an undue and unconscientious advantage is taken of another. 1 Story, Eq. Jur. § 187.
  - b. Once a fraud, always a fraud. It is a fraud to conceal a fraud. fraud lies hid in general expressions.

8. proofs are to be weighed not numbered; that is, the more worthy or credible are to be believed. [it doesn't matter how many men say something, because the word of god is superior to all. it does not matter how many people believe a lie, it's still a lie. and in a democracy, a lie is the truth].
